

## MP3! I Didn't Know You Could Do That...

This book contains valuable tips and tricks for the MP3 user. You'll find out how to get thousands of songs from the Internet, how to use rippers, players, and jukeboxes to create a music library of CD-quality MP3 tracks. Learn how to play MP3 tracks on your PC, on your home stereo, and in your car. If you're a musician, you'll also learn how to create MP3 files of your own music, distribute, and broadcast them over the Internet.
