There are things men love about women, that they cant show or know how to express into words. The world has put this stigma on men, saying that men are difficult or hard to understand, which has made women believe that its almost virtually impossible for men to be understood by the opposite sex, but they couldnt be further from the truth. Men are simple creatures and are easy to understand, but the problem is, theres no one to show women what men think about that they like. Until NOW. In this book youre about to discover what EVERY MAN wants from the woman hes in love withbut just cant find the words to tell her. Most of what is revealed in this book are either things men want but dont know they wantor want from their woman but dont know how to tell her. The best thing about this book is that its written from a male perspective so now you have first hand knowledge about what men like fromA MAN. Here Is A Preview Of What Youll Learn... Why Men Like It When Their Woman Gazes At Them In Admiration What You Can Do To Go From Just Being Your Mans Girlfriend Or Wife To His Best Friend As Well Find Out The Best Time To Talk To Your Man How To Build A Bond With Your Man How To Understand Your Man Better Much, much more!
