In the spirit of a refrain from an old athletic cheer-Old Setonia, dear old Setonia, we will sing a song of praise-Seton Hall Pirates: A Basketball History explores the emerging popularity of hoop action within the context of school history and development of the game at large. The hard-court history found at Seton Hall University as the program nears its one hundredth year of competition is a story highlighted by a host of topnotch players, brilliant coaches, and memorable victories. Seton Hall Pirates: A Basketball History reflects on a sport that celebrates athletic prowess, school spirit, and spectator appreciation as it relates to the dramatic and colorful drama that is Pirate basketball. Basketball began at Seton Hall in 1903, and success with the round ball soon followed for the white and blue. From Alumni Hall to the Meadowlands Arena, the tradition is alive in the memory of winning seasons under Frank Hill, along with immortal squads including the Wonder Five of John Honey Russell in 1941, the National Invitation Tournament champions of 1953, and the 1989 Final Four contingent led by P.J. Carlesimo, which came within one game of winning a national title. The talents of such legendary figures as Bob Davies, Walter Dukes, Richie Regan, Nick Werkman, Terry Dehere, and several other performers and personalities who represented Old Setonia through the ages are also captured within this volume.
