

50 Quick and Easy Ways to Outstanding Critical Thinking at Work: Your Step-By-Step Guide to Success (Gershon Business Essentials)

In today's fast-paced, ever-changing climate, outstanding critical thinking skills are in high demand. So join bestselling author and thinking and education expert Mike Gershon as he takes you through his step-by-step guide to brilliant critical thinking. With a practical focus throughout, Mike will help you to understand precisely what critical thinking means, how you can ensure you think critically throughout your time at work, and what you can do to make sure this thinking is not just good but outstanding. Critical thinking is central to decision-making and problem-solving. If we can't think critically, then it becomes extremely difficult to make good decisions and to find solutions to problems. In any work situation, we need to be able to weigh up the evidence, analyse the information and come to a judgement about what is the right thing to do. If you can think critically, you are more likely to make good decisions and to solve problems. If you can think critically outstandingly well, great success is just around the corner. 50 Quick and Easy Ways to Outstanding Critical Thinking at Work is your one-stop shop for superb decision-making and effective problem-solving. It is your springboard to success at work and beyond. Take a look inside and find out how you too can be an outstanding critical thinker.
