

## 9 Heads: A Guide to Drawing Fashion

This new detailed guide to learning the skills and techniques of drawing modern fashion and figure is also a rich reference source for a broad range of modern garments and accessories. Extensively illustrated, this introduction teaches by example, the power of drawing as a means of communication and expression and strives to show students how to perceive things in order to be able to draw them correctly. The first section is dedicated to drawing the human figure, while the second portion deals with how to draw a wide range of modern garments and accessories and the types of techniques used to render them convincingly and elegantly in different fabric designs and textures. This volume offers a complete presentation of proportions of the croquis, draping the figure, accessories, flats, and features an encyclopedia of details, how to draw textiles and real clothes, the art of illustration, and computers and fashion drawing. For designers, fashion professionals, teachers and students of fashion.
