

## 9 Heads Fashion Notebook: Mens Fashion (9 Heads Notebooks)

This is the second in a series of notebooks from 9 Heads Media designed for fashion students and professionals. It is a high quality hard bound notebook containing 114 pages printed with outlines of women fashion croquis in front and three-quarter views, ideal for creating quick fashion sketches. It also contains 19 pages packed with illustrations by Nancy Riegelman and her team of illustrators, including approximately 350 flats of a range of mens garments, details and accessories, along with sequential diagrams of how to draw the main garments in the mans wardrobe. 9 Heads Notebook: Mens Fashion is an invaluable tool for students and professionals alike and also provides a short cut to beginning to draw fashion - an ideal gift for a young person wishing to begin to explore and develop her skills in the field. It is an ideal accompaniment to 9 Heads: A Guide to Drawing Fashion by Nancy Riegelman.
