

Cyclepedia: 100 Postcards of Iconic Bicycles (Thames & Hudson Gift)

100 postcards featuring iconic bicycle designs from the past century. As cycling's popularity grows and grows, and bicycles have become statements of individuality the world over. This special-edition postcard box presents 100 of the most significant, exciting, and curious examples from the history of cycling, as illustrated in the popular book Cyclepedia. On each postcard, specially commissioned photography of each bicycle is complemented by essential information about the model, with key facts and technical specifications. With specimens ranging from those for use in the mountains, for racing, and for in the city to tandems, kids, folding, touring, cargo, and curiosity bicycles, there is a bike in the box to suit every taste. 100 color photographs
