

## APAs Guide to Federal and State Garnishment Laws

APAs Guide to Federal and State Garnishment Laws gives you the information you need to confidently process federal tax levies, child support withholding orders, creditor garnishments, bankruptcy orders, and other wage withholding orders. The book also features easy-to-read state charts governing all aspects of child withholding orders and creditor garnishments. Learn when and how to report new hires, how much pay is subject to garnishment, whether the employer can charge an administrative fee, and what to do when faced with multiple child support orders.
