

## Around the Globe (Bel Ami)

Youve never seen Bel Ami like this! Renowned photographer Benno Thoma shot the boys of world-famous porn company Bel Ami, showing Lukas, Tommy and all others in perfect glory. Set against lavish backdrops and in masterfully composed erotic settings these images are emotional like never before. Benno Thoma is undoubtedly an artist-he bathes his models in luxuriously sensual colors. His sense of style makes this 224-paged opulent large format book into a sensually synthesis of art. It is the highpoint of Bel-Ami photo books. Lukas Ridgeston, Josh Elliott, Renato Amoroso and Tommy Hansen are just a few of the most famous names from the stable of Bel Ami-players. Together with a horde of well-built boys they pose for grandiose solo portraits and in dreamy group scenes full of passion. The Mediterranean flair of the photos takes them a step further. This is a milestone of gay photography!
