

## Rainforest (Portuguese Edition)

This is a theater play that happens in the Amazon. In an indefinite future a man has the habit of writing aphorisms and hires a secretary that was his first love when he was young, but he doesn't recognize her. His ex-wife comes in the story afterwards to charge him about divorce matters and about the secretary's husband, a type of 'Who's afraid of Virginia Wolf?' in the third millennium Amazon. English and Portuguese. In the end, a startling revelation happens. And we began to see the characters in a totally different way.
