

A Retired Art Teacher Tells All: One Hundred Simple Tips to Help Teachers Become Efficient, Inspiring, and Happy Educators

As a young art instructor, new on the block, Marlene Nall Johnt went looking for an instructive manual about successful art education techniques. To her dismay, she never found one. Now retired, Johnt realized what needed to be done: she needed to write just such a manual for the young teachers of today. *A Retired Art Teacher Tells All* is an educational guide and workbook with detailed tips for running a successful art classroom. It is a step-by-step lesson for teachers, with comprehensive instruction and thought-provoking questions intended for reader response. Within its pages, Johnt shares the logic behind time-tested teaching techniques with true-to-life stories from her own extensive career. Unlike most art instruction textbooks, which read like art autopsies, *A Retired Art Teacher Tells All* adds the human touch, dealing mainly with real students in real life scenarios. It is not a collection of lesson plans, but a collection of relational plans, aimed at guiding you to be the best art teacher you can be.
