

## A Season on Four Rivers

The London artist and sculptor Caryl Stockham lived for many years on an old converted wooden sailing boat called Four Rivers, moored above Hampton Court on the River Thames at Ash Island. A season on Four Rivers captures all the joys, frustrations and seeming magic of Caryl's time on the river through one glorious year, illustrated by 27 original and beautiful watercolours. Filled with humour and keen observation, A season on Four Rivers is a genuinely delightful read.
