

Absolute Sweden

In his fourth photo album, Benno Thoma takes an erotic trip to the breathtaking landscape of Sweden. Against the backdrop of impressive scenery, his attractive models partake together in the change of seasons and days full of sensual bliss. Thoma takes the role of observer, a companion in the romantic adventure of the young men. He is a master in catching the clear cold of the Swedish winter and the fresh warmth of the Swedish summer. Since the Bear Pond of Bruce Weber, no photo album has appeared that merges erotic male photography so convincingly with scenic photography. An atmospheric and erotic travel report in pictures!
