

Airbrush your own Motorcycle: Follow along with 7 projects

This book can be used by Beginner Airbrush Artist to the Advanced Airbrush Artist. Techniques are shown how to develop a design from simple to very detailed and how to use a paper stencil you create to paint it. The beginner can use the techniques to enhance their skills and try some of the intermediate to advanced projects. An eagle outline is authorized to be copied so you can use the same paper stencil that was used to create an eagle's head. The 7 projects are Skulls, Eagle, how to Man on Motorcycle, Ghost flames, Carbon fiber, Bat outa hell and Decoupage.

A few simple ideas on what to put into a contract so you don't get burned. How to deal with minor dents and scratches Easy way to remove drips and runs and more.
