

Watercolour Challenge

Watercolour Challenge is a Channel 4 programme in which actress Hannah Gordon and her team of experts embark on a tour of the British Isles, meeting some of the country's army of budding artists. Each painter in the competition is required to paint a scene in four hours. Watercolour Challenge aims to inspire other would-be artists to pick up their paintbrushes. It is an accessible practical guide to watercolour painting, including guidance on how to get started, description of all the major techniques, hints and tips from the Watercolour Challenge experts and detailed descriptions of the styles and techniques employed by the competitors.
