

Alternative Revolution Magazine: Whitney Morgan Special Edition

Miss Whitney Morgan is a certified Jane of all trades! From pinup/glamour modeling, makeup artistry, fetish performances, adult acting, spokes model at various conventions, and even co-hosts DemonSeedRadio.com - shes literally seen and done it all! But nothing makes her feel more at home than playing up her presence in front of a camera lens. While Whitney models in a wide variety of genres, fetish modeling holds a special place in her repertoire. To explore her interest more fully, she and fellow fetish model, Sydney Screams, launched their radio show, Taboo Fetish Talk, which morphed into an entire radio station and in March of 2014, Demon Seed Radio made its debut with Bobby G and Whitney hosting. More than just your average porno radio show, they break the mold, featuring industry and mainstream news, new and emerging adult talent, in-depth interviews, Whitneys Taboo Fetish Talk segment explores the world of fetishism weekly, and Countdown to Climax, where callers and Twitter followers guess how long it will take for in-studio models to orgasm via the Sybian or traditional sex toys. 2015 is already off to a running start with numerous events and stellar interviews during AVN with Dennis Hof, Lexi Belle, Bonnie Rotten, Riley Reed, Nina Hartley, Tera Patrick, Ron Jeremy, Riley Steele, and Jules Jordan. Check out DemonSeedRadio.com for upcoming news, live events, and download previous shows. Follow Whitney on Twitter/IG @MsWhitneyMorgan Listen to their show live on Planet Platypus Friday nights 5:15pm to 7:15pm PST/8:15pm to 10:15pm EST on <http://www.planetplatypus.com>
