Are you thinking about adding new furniture to your home or trying out some DIY design projects, but you don't know what to start with and you don't know what's safe when it comes to recycling used materials? Why not try DIY pallet designs?

They're sure to spruce up your home, and the great thing is that you can leave them unfinished to give it a rustic feel or you can paint them any color you'd like to make them look more modern and chic! Wood pallets are just a few pieces of wood nailed together in order to ship goods, so they're essentially free wood when you can find them from manufacturers or at residential home building sites! In this book, you'll find the following information: Where to Find Free Pallets Pallet Styles Safety of Pallets How to Prep Pallets Before Use Breaking Down Pallets The Following DIY Tutorials o Upcycled Outdoor Pallet Couch o Pallet Strawberry Planter o Bathroom Shelf o Glass Bottle and Wood vase o DIY Toddler Bed o DIY Pallet Bench o Simple Pallet Headboard o Compost Bin o Entertainment Center From Pallets So as you can see, there are a lot of great tutorials and information necessary to make your pallet upcycling adventures safe!
