

American Corporate Identity 2006

Containing more than 950 all-new examples of outstanding creativity, this invaluable perennial organizes this years groundbreaking designs into seven categories: logos, complete identity programs, corporate identity manuals, letterhead designs, package designs, signage and environmental graphics, and corporate brochures. Several hundred creative design firms have work included in American Corporate Identity 2006, ranging from the well known to the up-and-coming. Many trendsetting styles have first appeared in this series since its inception, making this book a must-have reference for every corporate identity designers bookshelf.
