

Psychology: An Exploration Plus NEW MyPsychLab with eText -- Access Card Package (2nd Edition)

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Normal 0 false false false EN-US X-NONE X-NONE The most learner-centered and assessment-driven text available With its engaging writing style and comprehensive coverage of key research, Psychology: An Exploration, 2/e, awakens students curiosity and energizes their desire to learn more. This brief version draws readers into an ongoing dialogue about psychology, allowing them to fully grasp the subject. The authors establish clear learning objectives tied to the most recent APA-recommended undergraduate learning outcomes. Psychology: An Exploration, 2/e, is available in a new DSM-5 Updated Edition.
