

Diego Rivera (French Edition)

Je connaissais Diego Rivera, le muraliste mexicain, bien avant de découvrir les nombreux autres Diego Rivera qui hanterent le monde du début du XXe siècle à la fin des années 1950. [] Si ses peintures de chevalet et ses dessins forment une grande part de ses œuvres de jeunesse comme de la maturité, ses peintures murales uniques font exploser les murs par la virtuosité de leur composition époustouflante. Sur ces murs se exposent tout à la fois l'homme, sa légende et ses mythes, son talent technique, son intensité narrative et les convictions idéologiques qu'il aimait afficher. (Gerry Souter) Depassant son admiration, Gerry Souter, auteur du remarquable *Frida Kahlo*, n'hésite pas à ramener Diego Rivera à une dimension humaine, en constatant ses choix politiques, ses amours, et qu'au fond de lui bouillonnait le Mexique, langue de ses pensées, sang de ses veines, azur du ciel au-dessus de sa tombe.
