

Scott King: Anxiety & Depression: Climb Out of the Cellar of Your Mind (Hapax)

A headlong plunge into the dregs of contemporary human futility, Anxiety and Depression--published in JRP Ringiers Hapax series--describes, with relentless and clerical rigor, how we live now. Author Scott King has packed this almost anthropological survey with case studies in self-hatred, anxiety and despair, as well as exercises in which the reader can measure his or her daily humiliations.
