

# Anyone Can Learn Watercolor Journaling - Yes, You!: Easy Techniques for Drawing and Painting

Start Watercolor Journaling Today! The simple technique presented in this fun-to-read book will have you drawing and painting quickly. No need to wait until you've had hours of training or years of practice to enjoy watercolor journaling. In this book you will learn how to:

- Recapture the natural joy of art experienced in early childhood
- Create colorful travel journals that will become treasured souvenirs and a delight to share
- Overcome the resistance of your inner critic that says you can't draw or paint

NOTE: This book is NOT for the experienced artist. It is intended only for people who want to learn VERY basic techniques for drawing and painting.
