

Architecture and Sensuality: Andrew Bromberg of Aedas

Andrew Bromberg of Aedas -- Recent Works is the documentation of Brombergs design visions within the emerging economies of Asia, complete with images, drawings, models and construction photos. The book is divided into three chapters, each addressing a distinct aspect of Brombergs design approach: Challenging Conventions, Civic Approach and Contextualization. The pages within also include an essay, interview and statements by Larry Rouch, Vito Acconci, Rodolphe el-Khoury and Michael Speaks--each of them offering a comprehensive description of what is so appealing and seductive about Brombergs work and the importance it bears in todays design environment.
