

Art Deco Fashion

A celebration of the most glamorous era of the last century - the roaring twenties, proving that fashion in the jazz age went far beyond the flapper dress and the cloche hat. Published to coincide with the major Art Deco 1910-1939 exhibition at the V&A. The world of Hollywood and F. Scott Fitzgerald is conjured up by images from fashion magazines, posters and photographs, as well as pictures of stylish outfits for all occasions from the V&A's dress collection.
