

Artistic Photo Quilts: Create Stunning Quilts with Your Camera, Computer & Cloth

Transform Your Digital Photos into Luminous Fabric Art. Alter photos and use them to create beautiful, original works of fabric art - 11 exercises show you how. Learn to alter images with Photoshop Elements. Use photos that really enhance your work (Hint: its not always the best-looking shots!). Find inspiration in your own albums, from other artists, and in nature. Make large-scale quilts with a standard-size inkjet printer. This accessible guide to creating fine fabric art with digital photos covers everything from the tools and equipment you'll need, to designing, finishing, and assembling your quilt. Bronze Award winner in the 2010 Independent Publisher Book Awards how-to category.
