This version of my book is written in the new OpenDyslexic font, which is designed to help anyone with Dyslexia read with greater ease. In the first attack, Kat lost her family. In the second, she lost her planet. She watched the Earth die at the hands of an alien intent on seeing the human race extinct. Determined to stop him at any cost, she risks all she has left to travel through time and space in order to save a world that's already dead and stop this killer before he can stop her.
