

Sector 64 Box Set: The Complete 2-Book Series

Its 2016. Friendly extraterrestrials just made first contact! So why has the sworn enemy of these benevolent aliens hated humans for millennia? Book One: Ambush Independence Day meets The X-Files when Air Force fighter pilots Jake Giard and Sandra Fitzpatrick join a decades-old global conspiracy to integrate humanity into a galactic government. But when a galactic civil war spills onto our shores, plunging the planet into an otherworldly post-apocalyptic hell, can Jake and Sandy save humanity from extinction? Book Two: Retribution Its 2016. Air Force Fighter Pilots Jake Giard and Sandra Fitzpatrick saved the world, twice! But that was yesterday. Following the apocalyptic events of Ambush, Jake must board and somehow control the advanced alien fleet of huge ships before they start falling into the Atlantic. Yesterday, Captain Sandra Fitzpatrick learned shes pregnant. Then she helped save the world. Now, she must keep her condition a secret (even from Jake, the father to be). The remnants of humanity need Sandy and her cobbled together band of warriors to somehow master the alien technology. If Jake and Sandy prevail, and if Earths ravaged militaries can unite, can they adapt now outdated tactics to the limitless battlefield of space? And when dark galactic forces once again amass in our skies, can humanity make a stand?
