

Bad Medicine (German Edition)

Unsere Welt, in einer nicht zu ferneren Zukunft. Die Menschheit hat große Schritte gemacht, viele nach vorne, aber auch viele zurück. Die Grenzen der noch heilen Welt sind überlaufen, aus allen Richtungen kommen Flüchtlinge auf der Suche nach einem besseren Leben. Doch selbst wenn sie es dann geschafft haben, sind sie nur der Bodensatz der Gesellschaft. Billige Arbeitskräfte ohne Rechte. Und wenn ihnen etwas passiert, müssen sie sehen, wo sie bleiben. So wie jene Männer, die aus unerfindlichen Gründen ins Koma gefallen sind. Niemand weiß, warum, niemand will wissen, warum. Fast niemand. Aus Gefälligkeit machen sich Banshee und ihre Partner auf, die Ursache zu finden. Doch was zu Beginn vielleicht wie eine Überdosis Drogen aussah, entpuppt sich als weitaus komplexer und hintergründiger.
