

## Becoming a Helper (Counseling)

This best-seller is a must read for anyone embarking on or considering a career in human services, counseling psychology, social work, or any of the other helping professions. Drawing on their years of experience as writers, teachers, and practitioners, the Coreys focus on the struggles, anxieties, and uncertainties involved in becoming an effective helper, and challenge the reader to take a candid look at the demands and strains they'll face in the helping professions and their motives for choosing a helping career.
