

Rapture: Bel Dame Apocrypha

Nyx is back, alongside the bel dame sisterhood of assassins. Although the centuries-long war is over, civil unrest is rife, and the fate of one kidnapped politician could be the catalyst for a bloody regime change. With aliens in the sky and a hint of revolution in the air, Nyx and her team of mutant shape-shifters, torturers and bio-tech magicians have a new mission: save a life to save a country.
