

Teach Yourself Growing Your Own Fruits and Vegetables (Teach Yourself: Games/Hobbies/Sports)

About the Book Teach Yourself Growing Your Own Fruits and Vegetables is your guide to growing fresh produce in any patch of earth, be it a garden, a backyard, or series of containers. It gives specific instructions on when, where and how to grow and maintain various fruit and vegetables, from the more basic to the exotic, without the use of chemicals. It includes an A-Z list of plants together with ease of growth ratings and an approach that welcomes involvement from your whole family.
