

## Sexy Woman Swimsuits & Bikinis - Platinum Edition - 24 beautiful women of Quebec

????? 143 unique professional HD pictures? ?????? 24 different female models? All girls models are from Quebec, Canada?? Great mix from studio picture to some outside pictures. This book is a compilation of the pictures I have taken for a mobile game. The pictures are so pretty that many people asked me for a picture only version of this work. I have listened to you, so here are our awesome French Canadian models. -Benoit Dagoth Desbiens? Professional photographer
