

The Garden View: Designs for Beautiful Landscapes

No matter whether its the vegetable garden or the garden path, make the most of a beautiful garden vista with these marvelous ideas for choosing and enhancing a focal point. Every photo showcases breathtaking designs, with eye-catching features such as statues surrounded by greenery; a large deck with Adirondack chairs, planters, and bright flowers; or an old-fashioned sundial and climbing roses, framed by the huge window of the house. Add benches to create a feeling of repose, lay flagstones and gravel, and find out how to deal with eyesores. There are even suggestions for inside the home, to establish a great view when youre outdoors looking in.
