

The Bike Book: Passion, Lifestyle, Design (English, German and French Edition)

Only riding bicycles can provide that free-wheeling feeling. You know the one? Most of us can still recall getting a bike as a birthday present: its the first vehicle were allowed to drive ourselves, and it often remains a lifetime favorite, for good reason. This beautiful book profiles bikes that are unique in their technology and aesthetics. Its pages contain information on every kind of bike you can imagine offered by a wide range of manufacturers from around the world.
