

## Cockatiels (Birdkeepers Guides)

This highly visual guide is written by an expert on cockatiels and provides concise yet complete coverage of key subjects like cockatiel biology, feeding, housing, and training. An invaluable chapter of frequently asked questions offers expert advice on this most popular species of bird. The full-color photos, sidebars, and tip boxes deliver the information in an easy-to-read format. The author thoroughly discusses solutions to various behavior problems and offers advice on finding an escaped cockatiel.
