

Interview With An Artist: Barbara Kobylnska (Volume 3)

This book is more a vehicle of love for the artists community than anything. It is a marriage between the world of art appreciation and the world of one artist, with the result being a keepsake of the artists works of art combined with a personal glimpse into their world. Artist Barbara Kobylnska has a fine art education from the most prestigious art school in Poland. She sailed from Poland to Florida across the Atlantic Ocean on a 28 home made boat. On the way she had a baby girl on Montserrat Island in Caribbean. Her whimsical and humorous clay pieces can be found in international permanent collections, as well as local art shows and galleries in the Hampton Roads, VA area.

Read her insightful explanations about how she creates her clay pieces from scratch, the process, the methodology, as well as get to know her own favorite artists. Marvel at some of the delightful photos of her work in bright, playful colors and finishes.
