

Boots for the Gentleman

2nd Edition Steamcraft and Sorcery: Book One Hired by a mysterious faerie gentleman to steal seemingly worthless artifacts, Querrilous Knotte is seen as a traitor by the humans of Halcyon. But as long as hes getting paid, Query doesnt mind. When his client makes a cryptic comment about a certain house, Query contacts his old flame Reg-a former street rat who now works in the Royal Archives-to learn if the property contains anything of value. Though Reg has no answers for him, Query learns there is indeed something precious in the house, something Reg is convinced will bring nothing but trouble. The armed guards that attack the thief prove Regs prediction true, and he cant leave Query to face it all alone. Not when Regs feelings for the man may not be as extinct as hed thought. The trouble is, Querrys heart doesnt just belong to Reg anymore, and surprisingly, Regs heart no longer belongs only to Query. In the end, it may not even matter, because if Query, Reg, and their hearts desire cant stop Lord Thimbleroys from draining Halcyons magic, they wont live long enough to regret their unresolved romance. 1st Edition published by Dreamspinner Press, August 2011
