

Break Points - A Business Fable: Where Businesses Get Stuck Between 0-100 Employees

Growing a business from scratch is one of the hardest things you can do in life. But if you can build a successful business that fulfills your creative, financial and lifestyle needs, there is no more satisfying way of life. If you are a business owner feeling stuck, Break Points can provide insight about the root cause and illuminate a path to get you moving again. If you don't yet own a business, this book will provide guidance for avoiding the Break Points altogether. Even if your business is running smoothly, you'll be prompted to evaluate your business-and your life-to ensure both are effective, productive and enjoyable as possible.
