

selling pictures online, tips on selling your stock photography, where and how

If you're a new photographer and you would like to build a name for yourself, then you should know that you can easily do that if you use a few simple tips. Who wants to earn some cash while doing what you love? Selling stock photos to high-paying buyers is the best path towards achieving this goal. Sign up: Once you have your photos ready, you'll need to sign up at an online stock photography website. There are several places that let you sell your photos. When you find websites that are legitimate, read through the terms and create an account with them. Some websites let you sell photos for free while others charge you a small monthly or yearly fee. Before you sign up, though, make sure you have read the rules.
