

## Make Money Teaching Art: Exciting and highly professional tool to assist the artist produce an income

As an artist you want to make money. By teaching art you will have a cash-flow income. You also receive advancement and inspiration from your students, and enjoy the wonderful pleasures of their success. The question is - Are you ready to teach art? This book gives you what you need to teach art confidently. But its much more than that. You are guided through the teaching process so your students are - right from the start! - creating fine art paintings their own way, in their own style, from their personal vision. This book is not only the best Guide to Teaching Art it also helps artists who have learned elsewhere and are concerned for how well theyve been taught. The painting world is full of frustrations, and this book shows how to solve them. MAKING MONEY TEACHING ART sets the industry standard for art teaching. Written by Robert Bosler - successful artist of over thirty years; top sales price of \$25,000 per painting; producer of the worldwide bestseller FINE ART TECHNIQUES DVD PACK which is regarded as the best on the market, sold into 38 countries.
