

China to Light Up a House, Volume 2: English Pottery & Later Porcelain

A gorgeously produced record of a remarkable collection Rosalie Wise Sharp has been collecting earthenware and pottery for over half a century, and in that time has amassed one of the most comprehensive collections in the world. With this second lavishly produced catalogue, Sharp shares her collection, illustrated with over 1,000 full-colour photos and accompanied by provenance, fascinating historical connections, and personal anecdotes. With China to Light Up a House, Volume 2, Rosalie Wise Sharp throws open the doors of her home to share her passion for porcelain and her singular, museum-worthy collection.
