AUTHORBIO: In 1992 Lisa McAllister co-authored her first volume of the Collectors Guide to Yellow Ware with John Michel. That book has been brought back into print with updated information and current market values. She has also produced two more volumes on her own in that series, as well as the Collectors Guide to Feather Edge Ware. REVIEW: This book is an identification and value guide intended to help you identify a piece of Red Wing Art Pottery and given an average price you can expect to pay for the item. A history of Red Wing begins the book, as well as information on marks and shape numbers. Detailed color photographs make this book a must-have for collectors.
