

Complete Guide to Saltwater Fishing (Outdoorsmans Edge)

This exciting new book covers every aspect of saltwater fishing so the angler will know where to find the fish, determine when they are feeding, and exactly how to catch them.

This is the most authoritative handbook available on saltwater fishing in North America and includes advice on everything from tackle, rods, and reels to choosing lures and tying knots. Expert advice is provided on each species of fish including its habitat, range, average weight, and more. Over 100 black-and-white photographs and 13 illustrations are included.
