

The Condition of Education, 2002

Education Department Publication NCES 2002-025. Contains copyrighted digital images. Produced by Barbara Kridl, Managing Editor, Andrea Livingston, Senior Editor. Focuses on the issue of providing equal educational opportunities to first-generation students and how academic preparation can increase the likelihood of these students access to and persistence in postsecondary education. Analyzes key data that measure the health of education. Monitors important developments. Shows trends in major aspects of education. Presents statistical information in a manner accessible to a general audience.
