

Container Theme Gardens: 42 Combinations, Each Using 5 Perfectly Matched Plants

Simple and foolproof! Enjoy beautiful container plantings with no stress or fuss. Container Theme Gardens offers 42 plans for container arrangements, each using just five specific plants that you can find at your local garden center. There's something here for every setting and every style, including a meadow in a box, a pond in a pot, a simple salad garden, and a combination that will attract hummingbirds. Each plan includes photographs of what the full planting will look like, as well as a handy shopping list so you know exactly what you need.
