

Curse

Cocky and egotistical high school senior Alexander Whitewell has it all. With women at his feet and a trail of broken hearts in his wake, life cant seem to get any easier. But in attempts to maintain an undercover relationship with his one and only true friend Kiley Wilsona nobodyhis otherwise careless endeavors attract the attention of Tara, an ever watchful witch at wits end with Alexs games. While most would admit defeat by the hands of a witch, Alex certainly doesnt. Determined to lift the spell, he and Kiley venture into a paradoxical universe in hopes to track down Tara and make amends before its too late. The only problem is, this curse is nonnegotiable. Inspired by the story of Beauty and the Beast, Curse too delivers the tale as old as time but with a sensualistic and refreshingly witty touch.
