

David Leventi: Opera: Limited Edition

This collectors edition of David Leventis Opera is limited to 15 signed and numbered copies. It includes the book and a C-print, Palais Garnier. Photographing the interiors of some of the most storied and illustrious opera houses around the world, David Leventi has constructed an arresting, visually rich survey of grand architecture. Opera brings together in one publication images from over 40 opera houses, spanning four continents and over 400 years of history, and includes a foreword by Placido Domingo. Taken over an eight-year period and shot on a large-format camera, the images demonstrate Leventis meticulous approach to his subject, revealing these temples of music in all their wealth of architectural detail and design.
