And when they end up in a shady gentlemen club, to escape in one piece they need to do something that wasnt on their itinerary ? something involving a stage, a pole, and very little clothing. New York Times bestselling author Katie MacAlisters The Perils of Effrijim follows a demon whose vacation in Paris is disrupted when hes banished to another plane, thus kicking off a crazy dimension-hopping road trip across Europe. Protecting an heiress from supernatural hit men isnt Cat and Boness idea of a relaxing vacation in New York Times bestselling author Jeaniene Frosts One for the Money, but it could get worse.
