

Deepest Thanks, Deeper Apologies: Reconciling Deeply Held Faith with Honest Doubt

For all who dare to be honest... Most Christians are content to spend their lives in churches where mystery is denied and doubt is unwanted. Where uncertainty is shunned and honest questions are stuffed into a corner, never to be brought out again. This audiobook is for the rest of us. For those who live with distinct doubts... but whose passion for God remains deeper still. For those who have been confused by the world - and perhaps by our own desires - and still long to connect with a God who forgives and embraces us. For those who believe that our personal wrestlings can somehow make our faith mature - and our need for God complete. Sharing his own personal vulnerabilities with soul-stirring reminders for your faith journey, Stephen Shortridge delivers a hope-filled work - encouraging mystery rather than explaining it, affirming doubt rather than removing it... for all who dare to be honest.
