

Recognitions: Doctors and Their Stories : A Collection of Original Works in Celebration of the 10th Anniversary of the Center for Literature, Medicine & the Health (Literature and Medicine, V.4)

Carol Donley & Martin Kohn believe that physicians stand at a unique vantage point as observers of the human condition. In *Recognitions: Doctors and Their Stories*, the fourth volume in the Literature and Medicine Series, contributors such as Richard Selzer, Robert Coles, Perri Klass, and Jack Coulehan prove this assertion through their moving and enlightening prose.
